

Girl Grows Crop of Tobacco.

Millersburg can boast of a very successful tobacco grower of the gentle sex and from the fact the crop was tended by a girl of 13 years of age makes it all the more remarkable. The girl is Miss Agnes Waddell, daughter of Judge T. P. Waddell of Millersburg, and the tobacco was grown in the turkey pens in Millersburg. Miss Waddell cared for her crop from the time the plants were set until the

tobacco was ready for cutting when male help was employed. The crop consisted of about 180 pounds, which was sold on the loose leaf market at Carlisle for an average of \$20 per hundred. Miss Waddell is happy over the price she received for her product.

Hospital Location May Be Changed.

When the Massie Memorial Hospital is established in this city it will in all probability be of a different location from that set out in the will of Mrs. Anna K. Massie who upon her death bequeathed her home place "Hidaway" at the corner of Vine street and Stoner avenue for the purpose. It is the purpose now to buy the White property, first proposed as a hospital, and dispose of "Hidaway" to Mr. W. C. Massie, a son of the late W. W. Massie.

Mr. Massie met with the trustees of the hospital, Mrs. E. F. Clay and Mrs. Lucy Simms, and made a proposition to purchase the property that it may be perpetuated in the family and at the meeting of the City Council last night the matter was taken up. By a unanimous vote the Finance Committee was instructed to dispose of the bequest of Mrs. Massie to the only son of her deceased husband, and to use the proceeds in the purchase of the White property to be used for the hospital.

The trustees of the proposed hospital met with Mayor Hinton yesterday and discussed the proposition made to them by Mr. Massie. Mrs. Simms and Mrs. Clay have secured an option on the White property at \$5,000 and it is the purpose to sell the bequest of Mrs. Massie and utilize the proceeds in the purchase of the White property. Following the action of the Council last night the Finance Committee will at once open negotiations with Mr. Massie looking toward the transfer of the property to him if amicable terms can be reached.

The White property has long been regarded as the most logical place for the hospital. It is located in an ideal spot with the most excellent surroundings. The building contains twenty-three rooms and is in a good state of repair. It was erected by the late G. G. White at a cost of \$30,000.

Knights Templar Busy.

With the one object in view of making the sixty-fifth annual Conclave of the Knights Templar of Kentucky one of greater success than any that has been held in previous years, Coeur de Lion Commandery No. 26, of this city, is making extensive preparations for the reception of the plumed army in Paris on May 29 and 30.

Following a meeting held a few nights ago at which various committees were appointed to have the work of arranging for the Conclave and the entertainment of the visitors, each committee has gone to work in earnest and their efforts promise to eclipse the conclave held here six years ago which was such a pronounced success.

At the head of the executive committee is Mr. M. H. H. Davis, one of the best known Masons in the State, and he, together with the other members of the committee are laying plans, which if worked successfully will insure the most successful meeting of this branch of Masonry in the history of the grand lodge.

THEATRICAL.**"THE GIRL OF MY DREAMS."**

At the Paris Grand next Thursday, April 4, Jos. M. Gaites will present John Hyams and Leila McIntyre in his atmospheric musical play, "The Girl of My Dreams." This musical production which had its initial presentation in Chicago last season, enjoying a twelve weeks' run, is said to be one of the most delightful and refined musical plays seen in years and a worthy successor to Gaites' famous "Three Twins."

The story of the piece tells of a bachelor's downfall before the charm of a demure little Quaker girl. These roles will be those of the principals, John Hyams and Leila McIntyre. The bachelor is much of a club man and has the cynical attitude of his class toward the feminine sex. A habit of breaking village speed ordinances leads him into a bad motor accident. He is carried, much injured, into a Quaker household where he is nursed back to health by the girl. By the time he is able to look about from an arm chair his ideals of bachelorhood are shattered.

The Quakeress and her father go later to the city to see the bachelor and the young woman is much shocked by her prospective husband's friends. She doesn't know whether she loves him or not, but the sky is clear in time for a happy wedding just before the drop of the final curtain. The piece is chuck full of catchy musical numbers, "I'm Ready to Quit and Be Good" effectively rendered by Mr. Hyams, and Miss McIntyre's delightful "Doctor Tinkler" being the most popular. The supporting company numbers among the principals Alice Hills, Harold Forbes, Carrie Bowman, Irvins Brooks, Wm. G. Ricciardi, Della Nevin, Percival Ayler and Henry Carl Lewis. Seats on sale at Mitchell & Blakemore's. Free list is entirely suspended.
